

16 – 19 October, 2019 · Foshan · China

# Joint Company Exhibition of the Federal Republic of Germany

Internet+ powered by CEBIT is offering German companies a one-off chance to meet with industry leaders in China such as Huawei, Baidu, JD.COM, Midea, China Unicom and China Mobile – from 16 – 19 October 2019 at Guangdong Tanzhou International Convention and Exhibition Center in Foshan. The show merges more than 700 exhibitors, 29,000 trade visitors as well as 430 journalists and covers all aspects of the digitization of life, business, production and society. Each year it brings together traditional technology specifiers and buyers along with the new breed of technology savvy professional whose roles have been rewritten by the disruptive forces of technology. Featuring interactive activations, accessible content and interpersonal knowledge exchange, it offers four days with countless opportunities for you to grow and develop you and your business in China.
